the history of christian theology can be a daunting even forbidding field for the novice who sees neither the need for nor pertinence of rummaging around dusty old texts this people friendly volume a full scale reader in the history of christian theology offers an easy non threatening occasionally humorous yet quite thorough entry into christianity s central texts from the apostolic fathers to mary daly it is also enlivened by dozens of cartoons by rich diesslin highly accessible introductions to five periods precede brief introductions to and texts from more than fifty key thinkers the texts highlight perennial themes and questions in christian tradition especially the meaning and importance of jesus challenges to the institutional church tensions of faith and reason spirituality and the christian quest for social justice the new edition half again as large as the original adds significant work from the cappadocian fathers and the christological controversialists the franciscan tradition the radical and english reforms and deeper coverage of twentieth century theologians with learning aids research paper suggestions and guide and glossary publisher

description

this introduction to christian theology explores the whole christian tradition in a simple and straightforward way leading wesleyan theologian don thorsen surveys the theological views represented within historic christianity and discusses the variety of positions held without favoring one over another the book includes helpful end of chapter questions for further reflection and discussion a convenient glossary of theological terms and sidebars the second edition is marked by a thorough updating of the text and the addition of two new chapters on apologetics and the future of the unevangelized

dallas seminary professors make basic theology accessible for all theology doesn't have to be complicated in this book trusted dallas seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers students lay people and pastors here are introductions overviews and reviews of key tenets of orthodox protestant evangelical doctrines the book also includes an annotated list of key applicable bible texts a quick paced story of doctrine throughout church history heresies or distortions to be aware of and more exploring christian theology is useful for discipleship catechism membership training preview or review of doctrine or quick personal reference it can also be used by ministry training programs bible colleges or seminaries as an introductory primer to orient students in preparation for a more in depth study of theology

this text poses the question what is theology and goes on to discuss issues of methodology the relation of theology to other disciplines and different theological perspectives it also investigates topics in the fields of philosophical theology human existence revelation the language of theology and christianity and other religions symbolic theology triune god doctrines of creation the problem of evil and suffering the person of jesus christ and eschatology and applied theology the church ministry and mission word and the sacraments worship and prayer and ethics

the word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors many lay christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church in an attempt to address this concern mark kim presents here an introductory systematic theology that deals with the core doctrinal topics of christianity that is accessible for the average layperson the work will engage heavily with scripture and the voices of the past and present who have contributed to the total theological voice of the church at large in this second edition of the work there is included an extra chapter on the doctrine of the christian life as pointed out in the first edition of the work theology should foremost be practical in its results and application the author addresses this concern by including a new chapter discussing the nature of the christian life and how christians should live in the world

there has long been a need for a comprehensive but truly introductory single authored textbook in theology by introducing the reader to the biblical doctrinal and contemporary dimensions of

christianity with the help of illustrated examples from selected primary texts the book provides an excellent grounding in theology for both students of the discipline and the general reader the work explores key tools for the scientific study of theology endeavoring both to affirm the rationale behind christian thinking and also to familiarize the reader with significant contrary positions the solid foundations in biblical theology and hermeneutics given in the book will enable students to read judeo christian scripture intelligently key testimonies regarding jesus christ are scrutinized and the nature of the new testament discussed as well as the emergence of doctrinal orthodoxy and the later disagreements which have shaped contemporary christianity the reader will become familiar with the dimensions of current christian thinking in its dialogue with post modernity this new edition includes an additional chapter examining spirituality and a series of companion videos for each chapter

this fourth edition of the international bestseller is the ideal introduction for those who are new to christian theology in this revised and expanded edition the author introduces readers to the central ideas and beliefs the key debates and the leading thinkers of christianity throughout the aim is to bring clarity and brevity to the central ideas of theology both traditional and contemporary the text comprehensively covers the individual doctrines that form the christian belief system weaving together these doctrines their history and the intellectual nuance behind them into an inter connected web all major christian denominations are explored as are their differences and shared customs and beliefs this rich tapestry results in a clear view of christianity providing a coherent vision of the religion in its main forms

this book helps beginning theological students grasp the basics of christian theology consciously avoiding the perspective of one school of thought or confessional tradition the authors provide the reader with a brief broad overview of the questions and contents of theological study their accessible use of language clear organization and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time in the words of its authors this book offers an introduction to the fuller spectrum of christian theology as it has developed through the centuries few writers address the historical development of the classic doctrines and the contemporary resonance as adroitly as gonzalez and perez the chapter on jesus christ for example presents concise summaries of the treatments of christ s person leading up to chalcedon while suggesting a need for a multiplicity of images in understanding the work of christ that liberates the whole person and restores all creation beginning students as a result are invited into a living theological conversation where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation broadly ecumenical in tenor with reference to theologians from nearly every century the work should appeal to both a popular readership and introductory students in college and seminary one disappointing aspect of the book is an absence of latino a feminist and liberation perspectives for a work that argues for the contextuality of all theology and from authors whose previous work has been monumental in hispanic theological education this lack is surprising david h jensen austin presbyterian theological seminary in religious studies review volume 29 number 3 july 2003

alister mcgrath's internationally acclaimed christian theology an introduction is one of the most widely used textbooks in christian theology fully revised and featuring lots of new material this fourth edition provides an unparalleled introduction to 2 000 years of christian thought a fully revised new edition of the bestselling introductory textbook in christian theology features new sections on monastic schools of theology the english reformation and radical orthodoxy includes increased discussion of women in the early church feminist theology eastern orthodox theology and history and catholic teachings on the doctrine of the church incorporates user friendly key terms sections and study questions supported by a website at blackwellpublishing.com/mcgrath containing additional lecturer resources

regarded as the leading text in christian theology for the last 25 years alister e mcgrath's the christian theology reader is now available in a new 5th edition featuring completely revised and updated content brings together more than 350 readings from over 200 sources that chart 2 000 years of christian history situates each reading within the appropriate historical and theological context with its own introduction commentary and study questions includes new readings on world christianity and feminist liberation and postcolonial theologies as well as more selections by female theologians and theologians from the developing world contains additional pedagogical features such as new discussion questions and case studies and a robust website with new videos by the author to aid student learning designed to function as a stand alone volume or as a companion to christian theology an introduction 6th edition for a complete overview of the subject

students often find introductions to systematic theology too daunting or boring to wade through here author and teacher bradley hanson offers an attractive accessible alternative for undergraduates hanson draws on 16 years of successful teaching to create exciting and pertinent presentations of major topics illuminate options on key issues and nudge students to formulate a personal stance

the foundations of theology in everyday language dallas seminary professors nathan holsteen and michael svigel are passionate about the key doctrines of christianity they want readers to know why they're important and why they matter this volume includes two parts from dust to dust creation humanity and the fall wise unto salvation gospel atonement and saving grace the authors explore these important topics in a concise and highly readable style that makes sense whether you're a student of the bible a pastor or someone who simply wants to know god better for each topic you'll find an introduction overview and review of the key points several applicable bible texts including verses to memorize a quick paced history of the doctrine distortions to be aware of and avoid reading lists for further study a glossary of theological terms exploring christian theology is a wonderful doctrinal primer that teaches theology in a way that will engage you and cause you to reflect a great way to get acquainted with key biblical theological themes darrell bock senior research professor dallas theological seminary

a journey in christian theology through biblical historical and thematic perspectives with special

attention to the context of today's world

a non-threatening entrance into texts from the apostolic fathers to Mary Daly

far from being solely an academic enterprise the practice of theology can pique the interest of anyone who wonders about the meaning of life inviting readers on a journey of faith seeking understanding this introduction to christian theology its basic concepts confessional content and history emphasizes the relevance of the key convictions of christian faith to the challenges of today's world in the first part this book introduces the project of christian theology and sketches the critical context that confronts christian thought and practice today in a second part it offers a survey of the key doctrinal themes of christian theology including revelation the triune god and the world as creation identifying their biblical basis and the highlights of their historical development before giving a systematic evaluation of each theme the third part provides an overview of christian theology from the early church to the present

this volume focuses on a central question what does a person need to know for developing a theology in other words this book will not only answer objections lodged against the study of theology but will explain to students pastors and laypersons alike what a theologian actually does it will also present different approaches to the study of theology and review the present status of theological reflection in various protestant orthodox and roman catholic traditions in the first section of the book evangelical protestant scholars describe the contributions various disciplines make to the study of theology in the next section evangelical protestant scholars explain the distinctives of their approaches to doing theology in the third part theologians who do not identify with evangelical protestant convictions seek to explain the distinctives of their approaches to doing theology in the final section Dr. Kantzer provides a summary analysis of how he does theology and interacts critically with a number of essays in this volume

this introductory theology text explains key concepts in christian doctrine and shows that doctrine is integrally linked to the practical realities of christian life in order to grow into more faithful practitioners of christianity we need to engage in the practice of learning doctrine and understanding how it shapes faithful lives Beth Felker Jones helps students articulate basic christian doctrines think theologically so they can act christianly in a diverse world and connect christian thought to their everyday life of faith this book written from a solidly evangelical yet ecumenically aware perspective models a way of doing theology that is generous and charitable it attends to history and contemporary debates and features voices from the global church sidebars made up of illustrative quotations key scripture passages classic hymn texts and devotional poetry punctuate the chapters

theology the study of god is a concern for every believer not just theologians or those in ministry it is the goal of good theology to humble us before the triune god of majesty as we come to understand him better this is a book of and about good theology award-winning author theologian and professor Michael Horton wrote *The Christian Faith* as a book of systematic theology and doctrine

that can be preached experienced and lived as well as understood clarified and articulated it is written for a growing cast of pilgrims in ministry and laity who are interested in learning about christ as a way of living as a christian who understand that knowing doctrine and walking in practical christianity are not competing interests the christian faith is divided into six parts five of which each focus on an aspect of god while the first part sets up an understanding and appreciation for the task of theology itself addressing topics like the source of theology where the idea of theology comes from and what its limits are the origin of the canon how the modern bible came about and why we can trust it the character of theology is the nature of theology practical theoretical or can it be both in a manner equally as welcoming to professors pastors students and armchair theologians horton has organized this volume in a readable fashion that includes a variety of learning features a brief synopsis of biblical passages that inform certain doctrines surveys of past and current theologies with contemporary emphasis on exegetical philosophical practical and theological questions substantial interaction with various christian movements within the protestant catholic and orthodoxy traditions as well as the hermeneutical issues raised by postmodernity charts sidebars questions for discussion and an extensive bibliography divided into different entry levels and topics at the heart of this book is a deep love for and curiosity about god its basic argument is that a personal relationship with god goes hand in hand with the pursuit of theology it isn't possible to know god without studying him

the foundations of theology in everyday language dallas seminary professors nathan holsteen and michael svigel are passionate about the key doctrines of christianity they want readers to know why they're important and why they matter this volume includes two parts how firm a foundation revelation scripture and truth god in three persons father son and holy spirit the authors explore these important topics in a concise and highly readable style that makes sense whether you're a student of the bible a pastor or someone who simply wants to know god better for each topic you'll find an introduction overview and review of the key points several applicable bible texts including verses to memorize a quick paced history of the doctrine distortions to be aware of and avoid reading lists for further study a glossary of theological terms exploring christian theology is a wonderful doctrinal primer that teaches theology in a way that will engage you and cause you to reflect a great way to get acquainted with key biblical theological themes darrell bock senior research professor dallas theological seminary

christian theology the basics is a concise introduction to the nature tasks and central concerns of theology the study of god within the christian tradition providing a broad overview of the story that christianity tells us about our human situation before god this book will also seek to provide encouragement and a solid foundation for the reader's further explorations within the subject with debates surrounding the relation between faith and reason in theology the book opens with a consideration of the basis of theology and goes on to explore key topics including the identity of jesus and debates in christology the role of the bible in shaping theological inquiry the centrality of the trinity for all forms of christian thinking the promise of salvation and how it is achieved with suggestions for further reading at the end of each chapter along with a glossary christian theology

the basics is the ideal starting point for those new to study of theology
